CRITICAL COLLECTIONS

The Zinc Oxide Supply

Suntegrity Skin Care's **Natural Moisturizing Face Sunscreen and Primer** is a nutrient dense, non-greasy formula that can be worn alone or under makeup to keep skin protected, smooth, and radiantly beautiful. It is made with non-nano zinc oxide for effective, mineral-based ultraviolet coverage. suntegrityskincare.com

SPF 50 Cream by Skin Blends is a broad-spectrum sunscreen that utilizes micronized zinc, so skin will not have an opaque white look and the sunscreen will not feel heavy on the skin. skinblends.com

Dermastart's **Sport Shield SPF 45** is a two-in-one sunscreen that also acts as a moisturizer. It is formulated for daily use not only for the face, but also the hands, chest, and arms. The antioxidants in it help combat free radicals, prevent premature aging, and minimize fine lines, while protecting the skin from the sun. dermastart.com
